Chicago - Route 124

Notes on roads

1.E. Grand Ave turns into E. Illinois at intersection but then turns back to E. Grand Ave. once you hit McClurg St.
2. E. Michigan is not connected to E. Grand Ave. It's suspended over E. Grand Ave and slowly lowers.
3. E. Columbus connects to an underground street. There is an above stations street that continues as E. Wacker Dr. The red outline indicates how far the underground routes goes.
4. E. Randolph St. Runs parallalel southbound above E. Columbus Dr. and turns sharp right to N. Michigan Ave.
5. Road doesn't seem to be developed. You may find yourself glitching through the map and under the road.
6. Line 124 to Union Station ends at Clinton Quincy. You can continue to start the route heading back to Navy Pier
